		On 2 March 1951, a convoy of 60 motor v hicles, including sedans, busses and trucks loaded with engineer equipment, was seen heading	
		from Weissenfels (N 52/J 99) toward Jena (N 51/J 61).	50X1-HU
		from Weissenfels (H 52/J 99) toward Jena (H 51/J 61). The troops on them wore black-bordered black epaulets. (1)	50X1-HU
	2.	The troops on them wore black-bordered black	50X1-HU
		The troops on them were black-bordered black epaulets. (1) The Meininger Hof hotel in Meiningen (M 51/H 82) has been taken over by the HO. No requisitioning of buildings to quarter Soviet troops or German Volkspelizei was effected in the town prior to 25 February.	50X1-HU
	3.	The troops on them were black-bordered black epaulets. (1) The Meininger Hof hotel in Meiningen (M 51/H 82) has been taken over by the HO. No requisitioning of buildings to quarter Soviet troops or German Volkspelizei was effected in the town prior to 25 February. (2) The Soviet troops stationed in Suhl (M 51/J 02) on 25 February were estimated at 500 to 700 men. They were black-bordered red epaulets and were quartered in the high school building on Lasalle Strasse.	50X1-HU
	3.	The troops on them were black-bordered black epaulets. (1) The Meininger Hof hotel in Meiningen (H 51/H 82) has been taken over by the HO. No requisitioning of buildings to quarter Soviet troops or German Volkspelizei was effected in the town prior to 25 February. (2) The Soviet troops stationed in Suhl (H 51/J 02) on 25 February were estimated at 500 to 700 men. They were black-bordered red epaulets and were quartered in the high school building on Lasalle Strasse. (3) All hotels in Cherhof were requisitioned as recreation centers for German organized laborers. There were no Soviet troops in the town. During the winter games in Cherhof, about 1,000 German Volkspolizei	
	3.	The troops on them were black-bordered black epaulets. (1) The Mcininger Hof hotel in Meiningen (N 51/H 82) has been taken over by the NO. No requisitioning of buildings to quarter Soviet troops or Gorman Volkspolizei was effected in the town prior to 25 February. (2) The Soviet troops stationed in Suhl (N 51/J 02) on 25 February were estimated at 500 to 700 mon. They were black-bordered red epaulets and were quartered in the high school building on Lasalle Strasse. (3) All hotels in Oberhof were requisitioned as recreation centers for German organized laborers. There were no Soviet troops in the town. During the winter games in Oberhof, about 1,000 German Volkspolizei had been billeted in the requisitioned hotels. (4) The hotels in Jaltershausen (N 51/H 95) were still in the hands of their private owners. The vehicles in the convoy included those of headquarters units of the XXIX Gds Mtz Rifle Corps and of the corps's two divisions. The fact that sedans and busses were among the vehicles of the convoy is indicative of a command post exercise conducted by the corps's en incer components. The information on the direction of movement of the convoy	50X1-HUN
	3. 4.	The troops on them were black-bordered black opaclets. (1) The Meininger Mof hotel in Meiningen (M 51/H 82) has been taken over by the MO. No requisitioning of buildings to quarter Soviet troops or Gorman Volkspolizei was effected in the town prior to 25 February. (2) The Soviet troops stationed in Suhl (M 51/J 02) on 25 February were estimated at 500 to 700 mon. They were black-bordered red epaulets and were quartered in the high school building on Lasalle Strasse. (3) All hotels in Oberhof were requisitioned as recreation centers for German organized laborers. There were no Soviet troops in the town. During the winter games in Oberhof, about 1,000 German Volkspolizei had been billeted in the requisitioned hotels. (4) The hotels in Maltershausen (M 51/H 95) were still in the hands of their private owners. The vehicles in the convoy included those of headquarters units of the XXIX dds Mtz Eifle Corps and of the corps's two divisions. The fact that sedans and busses were among the vehicles of the convoy is indicative of a command post exercise conducted by the corps's en incer components. The information on the direction of movement of the convoy does not allow any conclusion as to where the command post exercise took place.	50X1-HUN
